Hi Chris,

The Department for Infrastructure and Transport (DIT) has been referred the development application for the shopping centre and supermarket upgrades.

Whilst the department is generally supportive of the proposal, the following needs to be addressed for full assessment to be undertaken:

1. Trip distribution diagram
2. Details the existing and post development turning movements at the following intersections:
 - a. Commercial Rd/ Dale St
 - b. Commercial Rd/ St Vincent St
 - c. St Vincent St/ Nelson St and Church St

The further information must be supplied within 90 days of the date of this email. Failure to comply with this request may result in DIT advising the planning authority to refuse the application.

Kind regards
