Helen Dyer (Deputy Presiding Member)
            Chris Branford
            David O’Loughlin

2. SCAP APPLICATIONS

2.1. DEFERRED APPLICATIONS

2.1.1 Catcorp Pty Ltd C/- Future Urban Group
DA 090/M008/17
244-246 Unley Road, Unley
City of Unley
Proposal: Mixed use development comprising of commercial tenancies, residential apartments,
ancillary car parking, landscaping and associated building works.
The Presiding Member welcomed the following people to address the State Commission Assessment Panel:

Applicants
- Chris Vounasis, Future Urban Group (presented)
- Anthony Catinari
- Francesco Bonato (presented)
- Phil Weaver (presented)

Council
- David Brown, City of Unley (presented)

Agency
- Nick Tridente, ODASA
- Aya Shirai-Doull, ODASA
- Marc Hryciuk, DPTI

The State Commission Assessment Panel discussed the application.

RESOLVED

1. That the proposed development is NOT seriously at variance with the policies in the Development Plan.

2. That the State Commission Assessment Panel is satisfied that the proposal generally accords with the related Objectives and Principles of Development Control of the Unley [City] Development Plan. Having regard to all relevant policy in the development plan, the panel acknowledged that there was some non-conformance with quantitative policy, particularly height, however having regard to the qualitative design policy the project was considered to be of a high standard in relation to:
   - The quality of materials that complement the locality;
   - Articulation, recessing and setbacks to reduce bulk and scale;
   - Positive contribution and activation to the ground level including the setback on Hart Avenue;
   - The quality of high level resident amenity including large sized apartments, communal open space and bike facilities; and
   - Very high ESD performance, including the green landscape.

3. To grant Development Plan Consent to the proposal by Catcorp Pty Ltd for DA 090/M008/17 at 244-246 Unley Road, Unley subject to the following conditions of consent.

PLANNING CONDITIONS

1. That except where minor amendments may be required by other relevant Acts, or by conditions imposed by this application, the development shall be established in strict accordance with the details and following plans submitted in Development Application No 090/M008/17.

2. Prior to Development Approval for superstructure works, the applicant shall submit a final detailed schedule of external materials and the screening devices for the air-conditioning units on balconies in consultation with the Associate Government Architect to the reasonable satisfaction of the State Commission Assessment Panel.

3. All vehicle car parks, driveways and vehicle entry and manoeuvring areas shall be designed and constructed in accordance with Australian Standards (AS/NZS 2890.1:2004 and AS/NZS 2890.6:2009) and be constructed, drained and paved with bitumen, concrete or paving bricks in accordance with sound engineering practice and appropriately line marked to the reasonable satisfaction of the SCAP prior to the occupation or use of the development.

4. All bicycle parks shall be designed and constructed in accordance with Australian Standard 2890.3-2015.

5. The recommendations detailed in the Traffic and Parking Assessment, dated 20 July 2017 by Phil Weaver & Associates, forming part of this consent shall be fully incorporated into the development to the reasonable satisfaction of the SCAP. Such measures shall be made operational prior to the occupation or use of the development.

6. A detailed landscaping plan shall be submitted to the reasonable satisfaction of the SCAP prior to Building Rules Consent being granted for superstructure works. This shall identify planting medium depths, irrigation methods and other features of the landscaping scheme to demonstrate viability of all plantings and lawn. The updated detailed landscaping plan shall be reflected, as necessary, in all other relevant plans and drawings (including, for example, sectional drawings).

7. Landscaping shown on the approved plans shall be established prior to the operation of the development and shall be maintained and nurtured at all times with any diseased or dying plants being replaced.

8. All external lighting on the site shall be designed and constructed to conform to Australian Standard (AS 4282-1997).

9. All stormwater design and construction shall be in accordance with Australian Standard AS/NZS 3500.3:2015 (Part 3) to ensure that stormwater does not adversely affect any adjoining property or public road.

10. A proprietary stormwater treatment device (i.e. Gross Pollutant Trap) shall be installed within the carpark in accordance with Council and EPA Water Quality Guidelines. This system shall be regularly inspected, cleaned and maintained in good working order, with gross pollutants, sediments, oil and grease removed by the facility operator (at regular intervals) for the life of the development.
11. Stormwater management on-site accords with submitted details with a maximum of 8 outlets distributed equi-distant along Unley Road and Hart Avenue frontages.

12. The hours for waste collection vehicles to enter and exit the site shall be restricted to Monday to Friday: 7am to 5pm; with no collection on a Saturday or Sunday.

13. The acoustic attenuation measures recommended in the Acoustic Design Advice, dated 30 June 2017 by Resonate Acoustics, shall be fully incorporated into the building rules documentation to the reasonable satisfaction of the SCAP. Such acoustic measures shall be made operational prior to the occupation or use of the development.

DPTI Traffic Operations conditions

15. All canopies along the Unley Road frontage shall provide a minimum of 600mm setback from the back of kerb on Unley Road.

16. A Traffic Management Plan for the construction period of the development shall be produced to the satisfaction of DPTI and Council prior to the commencement of construction. This plan shall detail the types, volumes and distribution of traffic and how they will be managed. All traffic movements shall be in accordance with this plan.

17. Any excavation adjacent to roads shall be designed and undertaken in a manner that does not impact on the structural stability or safety of the roads. Any damage to road assets caused by the development shall be repaired to the satisfaction of the relevant road authority at the applicant’s cost.

18. All car parking and internal manoeuvring areas shall be in accordance with AS/NZS 2890.1:2004 and 2890.6:2009.

ADVISORY NOTES

a. This Development Plan Consent will expire after 12 months from the date of this Notification, unless final Development Approval from Council has been received within that period or this Consent has been extended by the State Commission Assessment Panel.

b. The applicant is also advised that any act or work authorised or required by this Notification must be substantially commenced within 1 year of the final Development Approval issued by Council and substantially completed within 3 years of the date of final Development Approval issued by Council, unless that Development Approval is extended by the Council.

c. The applicant has a right of appeal against the conditions which have been imposed on this Development Plan Consent. Such an appeal must be lodged at the Environment, Resources and Development Court within two months from the day of receiving this notice or such longer time as the Court may allow. The applicant is asked to contact the Court if wishing to appeal. The Court is located in the Sir Samuel Way Building, Victoria Square, Adelaide, (telephone number 8204 0289).

d. Due consideration should be given to the residential context of the subject site. In particular, consideration should be given to management of noise associated with patron behaviour, vehicle movements etc outside of normal operating business hours.

e. The Unley (City) Council has advised that an authorisation may be required under Section 221 of the Local Government Act 1999 for the encroachment of your structure or building in, on, across, under or over the public road. Please note that the council may charge an annual fee and that the authorisation may be issued on an annual basis for any
encroachment that attracts such a fee. The council may also require any unauthorised encroachments to be removed.

f. Development Approval will not be granted by Unley (City) Council until Building Rules Consent and/or Encroachment Consent under the Development Act 1993 have been obtained. The Unley Council has advised that a separate application must be submitted for such consents. No building work or change of building classification is permitted until the Development Approval has been obtained.

g. All Council, utility or state-agency maintained infrastructure (i.e. roads, kerbs, drains, crossovers, footpaths etc.) that is demolished, altered, removed or damaged during the construction of the development shall be reinstated to Council, utility or state agency specifications. All costs associated with these works shall be met by the proponent.

h. Any proposed works with the public realm adjacent to the site, including the installation of street furniture, bicycle parking infrastructure and planting of street trees shall be undertaken in consultation with Unley (City) Council.

DPTI Traffic Operations Advisory Notes

i. The subject site is affected by a requirement shown on the Metropolitan Adelaide Road Widening Plan (MARWP) for a 4.5 metres x 4.5metres cut-off at the Unley Road / Hart Avenue corner of this site for possible future road purposes. The consent of the Commissioner of Highways under the Metropolitan Adelaide Road Widening Plan Act is required to all new building works located on or within 6.0 metres of the possible requirement.

2.2. NEW APPLICATIONS - Nil

3. MAJOR DEVELOPMENTS

3.1. DEFERRED APPLICATIONS – Nil

3.2. NEW APPLICATIONS - Nil

4. ANY OTHER BUSINESS

5. NEXT MEETING – TIME/DATE

5.1. Thursday, 12 April 2018 at 50 Flinders Street, Adelaide SA 5000
